Important Information You Need to Know!

**Summer 2025**

### □ Important Camp Update

Hi KAH Families,

We have the final details from MCPS regarding the end of the school year! Here's what you need to know:

- **Friday June 13th, 16th, and 17th will be early release days.**
- **Tuesday, June 17th, will be the last day of school.**
- **Wednesday, June 18th, will be the first day of camp.**

KAH will be OPEN for childcare every day school is in session—right up through the final day of the school year. Once the school year ends, KAH Summer Camp will begin, and we'll adjust schedules and tuition accordingly.

#### Here's what that means for you:

- If you are registered for the school year, these extra days of care will be included in your school-year tuition at no extra charge. For families not currently enrolled during the school year, daily drop-in options will be available for these early release days.
- The first week of camp is shorter, we'll create a new price and prorate tuition for that week. This may take a bit to update everyone's accounts, so please be patient with us!

#### We're Here to Help

If these changes don't work for your family, please reach out—we're happy to adjust or cancel your schedule to fit your needs. We're here to make it as easy as possible for you!

#### A Quick Favor

If your plans have changed and you no longer need a week you signed up for, please let us know as soon as possible. We have long waitlists, and freeing up those spots could really help another family.

Just click the link below to submit a cancellation request—it only takes a minute!

As always, if you have questions or just want to chat through your options, give me a call or hit reply. I'm here for you and always happy to help.

Thanks for being part of the KAH family—we're so excited for another summer of adventure and fun!
