

2020-2021 FAQs

What about partial week care, I only need 2/3 days?

This is something we are hoping to offer soon! We are planning on offering M/W/F and a T/TH option, but this is dependent on staff schedules and space in the schools!

What about Middle Schoolers?

You can pre-register your 6th, 7th, or 8th right now! We just need to know how many kids are looking for this kind of care! For now, register your child using the elementary school location that is closest to you!

What about a program just for an hour or two?

Yes! We are working on our KAH “Clubs” (working title) right now! This program would meet twice each week for about an hour and a half! Of course, we would make sure to keep the same cohorts & COVID policies as every other program we offer.

Will groups/cohorts every mix or change?

No! We must keep extremely strict cohorts throughout our school year. Children will not be in contact with kids or staff from other groups.

Can my child go to the KAH Outdoor Club AND School Year program?

Nope! We must keep extremely strict cohorts throughout our school year. Children will not be in contact with kids or staff from other groups, this includes our own programs. But the good news is, the school year programming will have just as many fun and games as our Outdoor Clubs!

Who else will be in my child's group?

Generally, we will be grouping children by grade! However, some families prefer having siblings/relatives, carpool families, and "cohort buddies" to be in the same group for COVID related reasons. Because of this, there may be some mixing of grades in some groups.

My child is in Spanish Immersion, what are you doing for these types of programs?

We will try our BEST to have a Spanish speaking staff member with these cohorts, however, we cannot guarantee we will be able to do that. That being said, all of our staff are there to assist and support the Spanish immersion (and other similar programs) teachers and kids the best that we can!
