CAMP DIRECTOR

Hi! I'm Max!

I grew up in Montgomery County and absolutely loved working with kids, through the various camps and afterschool programs Kids After Hours offers.

I graduated from Pennsylvania State University in 2019 with a bachelor's degree in Hospitality Management. After college, I served as a Hospital Corpsman in the US Navy for 4 years.

As much fun as college and the military may have been...I am thrilled to be back at camp! Whether it's playing games, making arts & crafts, having water balloon battles, or telling jokes (self-proclaimed funniest person at camp)...nothing beats Summer camp. I can't wait to see all of the campers this summer and have fun making memories!

Please feel free to reach out to me with any questions, comments, or concerns at max@kidsafterhours or my cell anytime at 240-678-6408.

Hi! I'm Lilly!

My name is Lilly Kosova and I am the assistant Director at Red Barn Ranch camp during the Summers, and a director of our Rosemary Hills before and after school location throughout the school year. I grew up in Montgomery County and have loved working with kids through camps, summer schools, and babysitting since I was 12 years old.

I earned a degree in Elementary Education and a minor in Special Education and became a first-grade teacher. After a few awesome years in the classroom, I wanted to find a more creative way to bring joy into kids' lives every day! Kids After Hours allows me to do just that.

I couldn't be happier or more excited to be a part of the Red Barn Ranch family! I will always do my best to ensure your child has a fun, safe, and memorable time at our center. Feel free to stop by and say "hi!"

Hi! I'm Christian!

My name is Christian Nolan, I grew up in Frederick but often spent my summers at Forrest Knolls Elementary as a camper for KAH when I was younger.

I've been with Kids After Hours on and off during high school and college, and making a positive impact on kids' lives has been super rewarding for me.

From creating awesome memories to helping kids step out of their comfort zones and try new things, it's been a blast. I've learned so much from other counselors that's stuck with me, and now I want to pay it forward!

I'm all about welcoming every child with open arms, and I'm pumped for another fantastic summer together!
